

Senior Care Worker Job Description

Are you looking for a progressive career in the care industry? We are currently looking for full-time permanent Senior Care Workers to join our Care at Home Service. Our services enable our clients to remain in their own homes with adequate support and help minimise risk of long-term care or hospitalisation. The support provided range from activities of daily living to instrumental activities of daily living.

Baal-Perazim understands that staff is crucial to the quality of service delivered. To enable us to meet this need, we are looking for senior carer workers who are compassionate, kind, and empathetic with relevant experience in care and have acquired any degree in Health and social care or Level 3 Nurse Aid training with a minimum of 3 months experience. Baal-Perazim provides free comprehensive on-going training to help meet professional development.
